

**Title:** Policy for non-hazardous cleaning products.

**Introductory Statement:** St.Finbarr's Boy N.S. is currently in the **second** year of working on the Green Schools Water Theme. This work involves the promotion of water awareness and conservation, as well as using environmentally friendly products in school.

**Aim:** Our aim is to implement the usage of environmentally friendly, non-hazardous cleaning products in St.Finbarr's Boys N.S.

**Procedure:** After reading "Cleaner Cleaning Products" by An Taisce, the Green Schools Committee decided to invest in non-hazardous cleaning products. St.Finbarr's will purchase new products from Cork Hygiene Ltd, which supply environmentally friendly cleaning products to schools.

**Roles & Responsibilities:** School secretary, Ann O'Mahony, will order the products. Green Schools Committee members will speak to Angela Whooley, who cleans the school, regarding the new products.

**Implementation:** 2013-2014 School year

**Review:** This policy will be reviewed annually.

**Ratification:** This policy was ratified on the 24<sup>th</sup> March at St.Finbarr's Boys N.S. Board of Management meeting.
